ABSTRACTS DUE: NOVEMBER 1, 2024

NOVEMBER 16-22, 2025

Sheraton Grand at Wild Horse Pass
Phoenix, Arizona, USA | #ExtractionMeeting

CONFERENCE HIGHLIGHTS:

Don't miss your opportunity to share your work with the global extractive metallurgy community.

Submit an abstract to Copper 2025, Ni-Co 2025, or to topic areas in the Cross-Cutting Symposia which will create a dialogue among conference participants on topics of common interest. The robust technical program will feature forward-looking, multi-disciplinary, and societal perspectives.
