The 12th International Copper Conference (Copper 2025)—the largest copper technical conference with a tradition of more than 30 years—will once again feature sessions on mining, mineral processing, pyrometallurgy, hydrometallurgy, electrometallurgy, process control, and instrumentation. Co-located with the Extraction 2025 Meeting & Exhibition, Copper 2025 will feature cross-functional discussions from a societal perspective and multi-commodity dialogue to develop more critical thinking across all fields.
