

EXTRACTION

2025

SAVE THE DATE

FEATURING:

November 16-20, 2025

Sheraton Grand at Wild Horse Pass
Phoenix, Arizona, USA
#ExtractionMeeting

CONFERENCE HIGHLIGHTS:

IT'S BACK!

Don't miss your opportunity to gather with the global extractive metallurgy community for four days of networking and learning on a broad range of topics.

Your registration includes all programming organized for Copper 2025 and Ni-Co 2025, as well as new programming designed to create a dialogue among conference participants on topics of common interest and to provide forward-looking, multi-disciplinary, and societal perspectives.

Other highlights include networking events, tours, and an industrial exhibition.
