

November 16-22, 2025 | Sheraton Grand at Wild Horse Pass | Phoenix, Arizona, USA

Organized by the Society for Mining, Metallurgy & Exploration (SME); the Metallurgy and Materials Society (MetSoc) of the Canadian Institute of Mining, Metallurgy and Petroleum (CIM) and The Minerals, Metals & Materials Society (TMS).

The Extraction 2025 Conference – co-hosted with the 12th International Copper Conference and 6th International Symposium on Nickel and Cobalt (Ni-Co) - draws together the world's leading experts to promote, discuss and reveal the latest advances in the science and technology of extractive mineral processing. Unique in 2025, sponsors benefit for additional exposure and engagement with hundreds of attendees at the 12th International Copper Conference and 6th International Symposium on Nickel and Cobalt (Ni-Co).

Sponsor Extraction 2025/Copper/Ni-Co to demonstrate your leadership in the mineral processing, stand out as an innovator in this field and showcase your products and services to over 800+ global leaders.
